Bringing a
Decade of
Experience
to Your
Dram Shop
Cases

Over the last ten years in representing victims of drunk drivers and negligent taverns, bars and beer stores in dram shop cases, we have developed a level of experience that we believe would be helpful to you should one of these cases come along.

Our website devotes substantial resources in providing both potential clients and attorneys with information we believe helpful in evaluating or prosecuting dram shop cases here in Tennessee. Check out our link: "Alcohol Injury Information Center."
